Planting Churches in Scotland

Dear Prayer Partners,

Toward the end of May, Pastor Thomas Smith and his wife Rhonda visited with us for a few weeks (left picture below). Bro Smith preached a four-day revival meeting for us, from May 31st through June 3rd. All of our members attended each of the services, and the Lord used the messages to work in each of their hearts. Please pray for lasting fruit from the revival meeting. We also had the opportunity to take the Smiths out for a little sightseeing, including a trip to Loch Ness. It was a blessing to spend time in fellowship with them both.

Around the end of June, I took my son Harry, and two of the men from our church down to Plymouth, England to help missionaries Wayne and Linda Grissom (right picture below). We travelled down on Monday, June 22nd, spent Tuesday, Wednesday and Thursday distributing John and Romans booklets, and then travelled back up to Scotland on Friday, June 26th. The weather was very warm (up to 93F), at least for folks that are used to the cooler weather in Scotland! But it was a blessing to spend time in fellowship with the Grissoms, and to help them 9 the seed. Please pray that the Lord will bless our efforts, both there in Plymouth, England, and here in Elgin, Scotland.

Meanwhile, our Bible Institute training continues to go well. We recently finished a series on Baptist History, from the time of Christ and the Apostles, up

until the Protestant Reformation. It's important for us as Baptists to know our history, that we didn't start with the Protestant Reformation, and that we were never part of the Catholic Church. We're currently studying Biblical Guidelines for Music. These studies are mainly directed at Michael, to prepare him for the ministry. But all of our church members have been attending them, and one of our regular visitors has also started coming along. Please pray that the Lord will use these studies to help each of our members form solid, Bible-based convictions.

May the Lord bless you all,
Missionary Don Clough
