Planting Churches in Scotland

Dear Prayer Partners,

Over the past few months, we've been very busy with the church building project. We put in a wall to separate the fellowship hall from the auditorium, and built a platform for the pulpit and piano. Then we had some vinyl flooring installed in the fellowship hall, and some carpet laid in the auditorium. Those two rooms look like completely different spaces now. We also had some electricians in to get all of the lights working, and some plumbers in to get the water working in the upstairs bathrooms. Finally, we installed heaters throughout the entire building, which made the ladies in our church very happy! We still need to paint the entry way to our church building, and to install some doors, and some other odds and ends. Please pray that the Lord will help us to complete the work to His honour and glory. We also need to secure a permit from the local government, to change the use of our building from a shop to a place of worship. Please pray that all of that goes through, in God's time.

Please continue to pray for Michael, who answered the call to preach this past summer. He has been growing in leaps and bounds, and his preaching has been a great blessing to our church. He was also recently engaged to Jamie from our church, and they are planning to be married this Spring. Praise the Lord! We're also praying that the Lord would call Michael to be the permanent pastor of Moray Coast Baptist Church, so that we can go on and do more church-planting work. The time is short, and there is much work to be done for the Lord!

We hope that you all had a very Merry Christmas, and a Happy New Year. We're looking forward to what the Lord has in store for our ministry and for our church-plant in the year ahead.

May the Lord bless you all,
Missionary Don Clough
