## Planting Churches in Scotland

Dear Prayer Partners,

In October, my wife and I celebrated our 20th wedding anniversary. One of the couples in our church came over to watch our children, so we could spend a couple of days in Edinburgh. We had a really good time seeing the sights in Edinburgh, and spending some time alone. I'm thankful that the Lord has given me a godly wife, who supports me, and works alongside me in the ministry! Please pray that the Lord will continue to use both of us in His work.

It was a blessing to have Bro Rick Carter and his wife Angela with us this past November. Bro Carter preached a four-night family conference at our church, and each of the messages were both encouraging and challenging at the same time. I know that the Lord spoke to the hearts of each of the folks in our church, including mine. We have one engaged couple, one newlywed couple, and a couple of families with small children in our church, so many of the messages were very timely and helpful. Please pray that the Lord will continue to raise up godly families in our church.

In December, we had some festive services, both in our church, and in the local "care home". It was a blessing to sing Christmas hymns, share the Christmas story, and tell others why Christ came into this world. Our members enjoyed the candle-light services and the special times of fellowship.

It's hard to believe that 2025 is already over! This is without doubt the busiest year we've had in ministry. I've preached in the States, Germany, England, as well as in other churches here in Scotland. We've had guest preachers and many other visitors with us, both from the States, and from other parts of the UK. We've also done much in terms of outreach, and Bible Institute training throughout this year. I don't know what the new year has in store, but I do know that the Lord is in control, and He'll continue working all things out for our good, and for His glory!

May the Lord bless you all,  
Missionary Don Clough
